

The Digital Empathy Workshop

General information
for students in Years 5-7

Develop Your Students' Empathy With 'Digital Empathy' Workshop

"...Empathy is a quality of character that can change the world" - Barack Obama

With the Digital Empathy Workshop, your students will be able to implement digital and behavioural strategies to reduce digital distractions.

In this 3-session interactive workshop, your students will learn to:

- | | | | |
|-----------|---|-----------|--|
| 01 | Identify the impact of ICT overuse on their learning. | 02 | Explain the link between emotions and ICT use. |
| 03 | Identify the strategies used by ICT to engage users. | 04 | Describe strategies to identify and manage their digital behaviours. |
| 05 | Explain the impact of ICT on themselves and others'. | 06 | Recognise when to seek help and from where. |

The Digital Empathy Workshop

Learning Objectives

With The Digital Empathy Workshop, your students will be equipped with strategies to reduce their digital distractions enabling the development of empathy, and a greater ability to focus and manage their emotions.

Session 1

- > To explore the meaning of 'multitasking'.
- > To evaluate their ICT usage.

Session 2

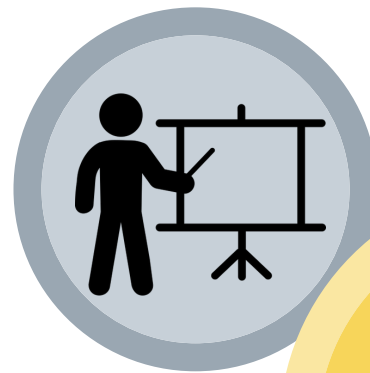

- > To explore the potential effects of multitasking.
- > To consider why social media apps are addictive.

Session 3

- > To examine the design of social media apps.
- > To explore strategies to reduce distraction.
- > To know where and how to seek help.

The Workshop Experience

In this three-session workshop, your students will enjoy a balanced blend of expert teaching and engaging activities. All sessions are created and facilitated by teachers.

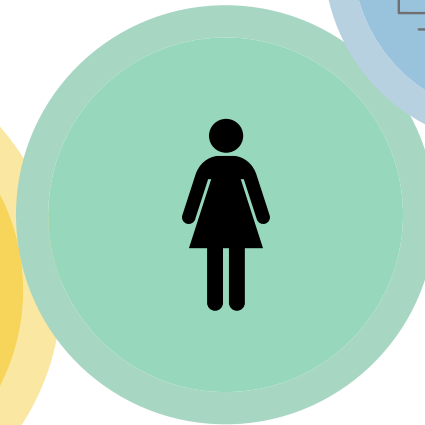

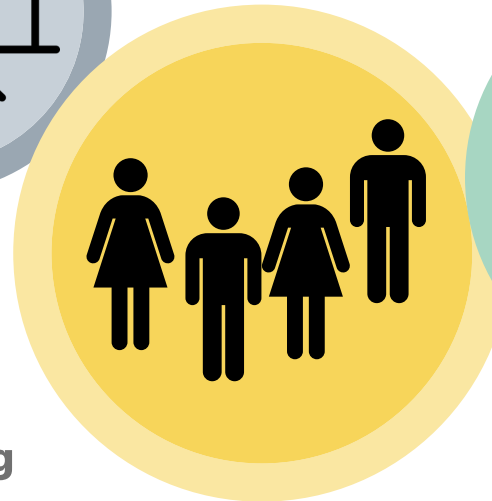

Teaching

Led by your expert teacher and facilitator

Group Activities

Small group and large group activities to keep the students engaged while they learn

Individual Activities

Students self reflect as they progress through the workshop

Modalities

Delivered through video, interactive activities and remotely

TEACHER FRIENDLY

Curriculum Connections

The Empathy Initiative is a time-saver for teachers as all workshops are Australian and Victorian Curricula-aligned.

Workshops can be adapted to meet particular class and/or curriculum requirements.
