General information  
for students in Years 4-7

# Develop Your Students' Empathy With 'Digital Empathy' Workshop

---

"...Empathy is a quality of character that can change the world" - Barack Obama

With the Digital Empathy Workshop, your students will be able to implement digital and behavioural strategies to reduce digital distractions.

In this 3-session interactive workshop, your students will learn to:

- 01** Identify the impact of ICT overuse on their learning.
  - 02** Explain the link between emotions and ICT use.
  - 03** Identify the strategies used by ICT to engage users.
  - 04** Describe strategies to identify and manage their digital behaviours.
  - 05** Explain the impact of ICT on themselves and others'.
  - 06** Recognise when to seek help and from where.
- 

# The Digital Empathy Workshop

## Learning Objectives

---

With The Digital Empathy Workshop, your students will be equipped with strategies to reduce their digital distractions enabling the development of empathy, and a greater ability to focus and manage their emotions.

### Session 1

- > To explore the meaning of 'multitasking'.
- > To evaluate their ICT usage.

---

### Session 2

- > To explore the potential effects of multitasking.
- > To consider why social media apps are addictive.

---

### Session 3

- > To examine the design of social media apps.
- > To explore strategies to reduce distraction.
- > To know where and how to seek help.

# The Workshop Experience

In this three-session workshop, your students will enjoy a balanced blend of expert teaching and engaging activities. All sessions are created and facilitated by teachers.

## Teaching

Led by your expert teacher and facilitator

## Group Activities

Small group and large group activities to keep the students engaged while they learn

## Individual Activities

Students self reflect as they progress through the workshop

## Modalities

Delivered through video, interactive activities and remotely

TEACHER FRIENDLY

# Curriculum Connections

---

The Empathy Initiative is a time-saver for teachers as all workshops are Australian and Victorian Curricula-aligned.

Workshops can be adapted to meet particular class and/or curriculum requirements.
