

THE INTERRUPT → REFRAME → REINFORCE™ FRAMEWORK

A framework for reshaping understanding in real time.

01 INTERRUPT

Pause harmful or inaccurate thinking

- Notice bias, misinformation or distortion
- Interrupt respectfully and calmly
- Create space for further inquiry

02 REFRAME

Shift understanding through evidence and perspective

- Challenge assumptions with curiosity
- Introduce evidence and context
- Explore alternative explanations

03 REINFORCE

Strengthen accurate understanding

- Practise new ways of thinking
- Reinforce evidence-based conclusions
- Encourage ongoing reflection

CHALLENGE. CLARIFY. STRENGTHEN.

How educators respond when misconceptions, bias and narrative distortions emerge.

KEY IDEA
TO REMEMBER

INTERRUPT

REFRAME

REINFORCE

Interrupt harmful narratives. Reframe understanding. Reinforce evidence-based thinking.
